Kathleen Denis

Imagine Being There!

Intriguing light, expressive color and captivating views, best describe Kathleen Denis' (*da-knee*) approach to each scene captured on canvas. Her love for art started at the age of four when she began her first art lessons. Having a BFA degree from University of Miami in commercial art, and becoming one of the nations leading "licensed artist", with art appearing on wallpaper, kitchenware, fabric and much more, has enhanced her ability and skill as a successful fine art painter. As a native Floridian, Kathleen appreciates painting on location as well as in her studio and enjoys participating in PleinAir Paint Outs throughout the state and beyond. She presently resides in the Florida Keys where she delights in capturing the intense colors of the tropics and the unique charming sites that someday may cease to exist. Studying under noted instructors, she passionately imparts her artistic knowledge to students through weekly classes and workshops.

Kathleen's original art may be obtained through galleries, exhibits, paint outs and her website at www.KathleenDenis.com.
